FOR IMMEDIATE RELEASE

Dean Magnus joins Meyers Norris Penny as Partner

Nov. 14, 2005 – Winnipeg, MB – Meyers Norris Penny (MNP) LLP is pleased to announce that Dean Magnus, CA, has joined the firm as a Partner with its Winnipeg office. MNP is the only Top Ten national accounting and business advisory firm based in Western Canada.

“Dean takes the time to really get to know his clients and their businesses. That dedication is a key reason he excels in providing his clients with customized solutions to help them meet their goals. It’s also why he makes an excellent fit with the MNP team,” says Wayne McWhirter, MNP’s regional manager partner of the Eastman region.

Dean has a wealth of experience providing accounting and business advisory solutions to larger owner-managed companies, as well as public companies and not-for-profits. Prior to joining MNP, Dean was a partner of a national firm in Winnipeg.

Dean says he is excited to join MNP. “Meyers Norris Penny is a firm that understands Western Canada and how business operates here. That insight is directly reflected in the high quality of service MNP provides to its clients.”

About MNP

Serving the Western Canadian mid-market since the 1940s, MNP provides its clients with world-class advice in accounting, financial and advisory services to meet their personal and business needs.
